Dear Aircraft Owner:

The registration of the aircraft shown above expired on August 31, 2018.

The aircraft's registration and airworthiness certificates no longer support the aircraft's operation. The N-number is no longer authorized for use and its assignment to this aircraft is scheduled for cancellation 60 days from the date of this notice.

We ask that you return the registration certificate to the FAA Aircraft Registration Branch as established in 14 C.F.R. Section 47.41(b).

Aircraft registration renewal every third year was established in Title 14 Code of Federal Regulations, Section 47.40(c) on October 1, 2010, as published in the Federal Register on July 20, 2010, page 41968. The changes made at this time will keep the U.S. Civil Aircraft Register up-to-date, to provide reliable support to users of the registration system.

N-NUMBER RESERVATION: If an aircraft registration will not be renewed, its owner may reserve the N-number by sending the Registry the first year's \$10.00 reservation fee with a request to cancel the aircraft's registration and to reserve the N-number in the owner's name. If no request is made within 60 days of the date of this notice, the N-number will be canceled and become unavailable for five years.

AIRCRAFT REGISTRATION: The owner of an unregistered aircraft may apply for registration at any time. Application for registration must be made in accord with 14 CFR Section 47.31(a), which requires an Aircraft Registration Application, AC Form 8050-1, evidence of ownership (unless it is already on file at the Aircraft Registration Branch), and the \$5 registration fee. Please note, if application for registration is made after the aircraft's N-number has been canceled, the aircraft may not use the temporary operation authority provided for in 47.31(c) because the aircraft was not last previously registered in the U.S.

OTHER CHANGES: Aircraft owners are still required to notify the FAA Aircraft Registration Branch when their aircraft have been sold, exported, or destroyed, etc. These reports may be made by returning the Certificate of Aircraft Registration AC Form 8050-3 with the reverse side filled-out and signed. If the certificate is not available a letter may be sent. It should fully describe the aircraft and report the aircraft's change of status. If the aircraft has been sold, please provide the purchaser's name and address.

FEE PAYMENT by mail should be by check or money order payable to the Federal Aviation Administration.

FAA Aircraft Registration Branch: Regular mail: P.O. Box 25504, Oklahoma City, OK 73125-0504.

Overnight delivery or commercial courier: 6425 S. Denning Rm. 118, Oklahoma City, OK 73169-6937.

and Bank of America, N.A., a national bank ("Bank").

RECITALS:

- (A) The Note. Debtor(s) is(are) indebted to Bank under a certain aircraft consumer note (the "Note") that is further described, if applicable, in a Truth-in-Lending Disclosure Statement and Itemization of Amount Financed dated the same date as the Note.
- (B) What is Secured. This Agreement secures the payment of: (1) the Note; (2) all costs and expenses incurred in the collection and enforcement of Bank's rights under the Note and this Agreement (collectively, the "Loan Documents"); (3) all future advances made by Bank for taxes, levies, insurance and repairs to or maintenance of the Aircraft; (4) all money advanced by Bank to fund the loan to or for the account of Debtor(s) or the future obligations of Debtor(s) under the Note and any advances by Bank to preserve its interests under this Agreement; and (5) interest on any such Bank advances as may be payable to Bank (collectively, the "Obligations").
- (C) Consideration. The consideration for the Note and this Agreement is the disbursement of the proceeds of the loan shown in the Note pursuant to the Authority to Disburse Funds. To the extent that a certificate of deposit, bank account or investment securities are pledged with Bank as additional collateral, a separate security agreement will be used for such items.
- (D) (1) The Collateral. Bank's collateral (sometimes collectively called "Collateral") will be a security interest ("Security Interest") in the aircraft described below (the "Aircraft") and in any engines, motors, propellers, avionics, logbooks and other records, appliances, appurtenances, attachments, parts and equipment now forming part of the Aircraft or added to it later or, if not a part of but used in connection with the Aircraft, if acquired with the loan proceeds within 10 days after loan disbursement; however any items added after the closing for which a holdback is made will be included if acquired no later than 10 days after the heldback proceeds are disbursed for such items. Substitutions, replacements and insurance proceeds will also be part of the Collateral. If Debtor(s) leases or rents the Aircraft, Bank's Security Interest will extend to all rent due or to become due to Debtor(s) from lease or rental use of the Aircraft. If the primary use of the Aircraft changes from Debtor's(s') private use to lease, rental or business use, Debtor(s) must obtain Bank's prior written approval and Bank shall also have a security interest in any property acquired by Debtor(s) for use in connection with the Aircraft, irrespective of whether it becomes part of the Aircraft, Bank may require Debtor(s) to sign and deliver a commercial security agreement.

- (E) Perfection of Security Interest. (1) Federal. Bank will perfect its Security Interest in the Aircraft and any engines having a rated horsepower of 550 or more and all items now or hereafter forming part of the Aircraft by filing this Agreement with the Federal Aviation Administration ("FAA"); and if the Aircraft is certified to transport at least 8 people, or cargo in excess of 2750 kilograms, or if the engines have at least 1750 lbs of thrust or at least 550 rate take-off shaft horsepower, by filing a Registration of the interests created hereby on the designated form with the International Registry. If spare parts may be covered by an FAA filing of this Agreement, they also will be deemed covered thereby if set aside for the Aircraft. If spare parts cannot be so covered, they are covered by subsection (2) below.
- (2) State. Bank may perfect its Security Interest in any logbooks, engines having a rated horsepower of less than 550, parts identified for use on the Aircraft, and any other Collateral not covered by (E)(1) above by filing UCC-1 Financing Statement(s) with the appropriate filing offices.

- 3. AMOUNTS SECURED. This Agreement secures payment of the Obligations.
- 4. GRANT OF SECURITY. Debtor(s) grants Bank the Security Interest in the Collateral described in Recital (D) above.
- 5. PERFECTION OF SECURITY INTEREST(S). By signing this Agreement, Debtor(s) agrees that Bank may file this Agreement or a registration or other filing, as the case may be, with the FAA and The International Registry on the Aircraft, if appropriate, on its engine(s), and on any identified spare parts and may file [without Debtor's(s') signature where allowed by law] UCC-1 Financing Statements, as provided in Recital (E) above, with the office of the Secretary of State or equivalent officer of the State(s) in which Debtor(s) reside(s) or as otherwise provided by applicable law.
- 6. ASSIGNMENT BY BANK. Debtor(s) will remain liable for the Obligations even if Bank gives a third party any interest in Bank's rights under the Note or this Agreement.
- 7. RENEWAL OR EXTENSION. Renewing or extending the Note and this Agreement may affect the time of payment but shall not reduce the amount payable. Charges for the extended period(s) will add to the finance charge payable.
- 8. CLEAR TITLE AND CITIZENSHIP OF DEBTOR. Debtor(s) says that: (a) Debtor(s) owns the Aircraft and any related Collateral listed above free and clear of the ownership interest(s), security interests, liens and encumbrances of anyone else, and (b) any Debtor having an ownership interest in the Aircraft is a citizen or resident alien of the United States.

·					
	•				

- 9. **DEBTOR'S PROMISES:** Debtor(s) promises that: (A) Lawful Use Debtor(s) will use the Aircraft at all times in accordance with applicable federal, state and local laws, regulations and rulings. Debtor(s) will also comply with all requirements of Debtor's Aircraft insurance policy.
 - (B) Geographic Scope of Use The Aircraft will not be flown or taken outside of the continental United States without the prior written permission of Bank upon proof of adequate insurance for such use and pilot familiar with the flight route(s). International flight may require special insurance.
 - (C) Safe Storage and Use. Debtor(s) will store the Aircraft safely and operate it or cause it to be operated safely.
 - (D) Pilot. Any person who pilots the Aircraft must have a current FAA certificate for such an aircraft and must meet the minimum qualifications for operating the Aircraft required by the insurer of the Aircraft. Debtor will furnish proof of such qualifications, if requested by Bank.
 - (E) No Sale of Aircraft. Until the Note is satisfied, Debtor will not sell or dispose of the Aircraft or of any fractional or other interest in the Aircraft.
 - (F) No Other Security Interests. Debtor will not give anyone other than Bank a security interest in the Aircraft.
 - (G) No Liens or Encumbrances. Debtor will not allow any liens or encumbrances to exist against the Aircraft and will promptly satisfy and remove any liens or encumbrances on a public record against the Aircraft or of which Debtor otherwise becomes aware.
 - (H) No Lease or Rental of Aircraft. The Aircraft will not be leased or rented without the prior written approval of Bank. Such approval is required irrespective of who provides the pilot. The lease or rental plan must also be approved in writing by Debtor's Aircraft insurer. Renting may require a different maintenance program under federal law and higher premium cost on Debtor's Aircraft insurance. Renting to or through a third party, such as a flight training school, also requires prior written approval of Bank and insurer
 - (I) Home Base. The Aircraft will be kept at the home airport shown in Section 2 of this Agreement. Debtor must notify Bank and Debtor's Aircraft insurer if Debtor is going to change the principal base for the Aircraft. No permanent change shall be made without the prior written consent of Bank and the Aircraft's insurer.

(J) Maintenance.

- (i) FAA Requirements. Maintenance of the Aircraft is Debtor's responsibility. Debtor(s) must comply with all FAA maintenance and repair directives that apply to Debtor's use of the Aircraft. Any change of use may cause more demanding maintenance directives to apply, e.g. if the Aircraft is leased or rented out.
- (ii) Bank Requirements. Bank may require, and Debtor shall provide, a pre-purchase inspection by a FAA-certified mechanic. Debtor is also responsible for ensuring that the Aircraft at all times meets FAA minimum standards and shall provide all other necessary maintenance during the loan term, including maintaining the hull and all systems in good working order, in order to maintain the value of the Collateral. If required by Bank, Debtor will enroll the Aircraft in a manufacturer or other reasonably acceptable maintenance tracking program.
- (iii) Exceptions. The only exceptions to J(i) and (ii) above are for features of the Aircraft that are to be repaired or overhauled after this loan closes and which are noted in Bank's commitment letter to make this loan. Such repairs or equipment replacement must be completed within the time specified in the commitment letter.
- (iv) Worn-out Items. Items material to safety or the value of the Aircraft that wear out over the course of this loan must be replaced before they become a flight risk, or if not a flight risk, within a reasonable time after they wear out, unless otherwise agreed by Bank, so as to maintain as nearly as possible the collateral value of the Aircraft.
- (K) Registration. The Aircraft, and if applicable, engines, will at all times be registered with the FAA under United States registration in Debtor's name for the use to which it is being put and which has been approved by Bank and Debtor's Aircraft insurer.

		,

- (L) Taxes, Fees, Assessments and Charges. Debtor will pay all taxes, assessments and charges imposed on the Aircraft by any national, state, county or municipal taxing authority or fees of a public or other airport authority. For example, and without limitation, Debtor will pay for any fees imposed on the Aircraft for landing and storage.
- (M) Insurance. (i) Kinds of Coverage. If required by Bank or applicable law, Debtor shall obtain and maintain (i) public liability insurance (including, without limitation, passenger liability and property damage insurance) with Bank named as additional insured to the extent permitted by applicable law, (ii) all risk aircraft ground and flight hull insurance, fire and extended coverage insurance against all risks of physical damage to or loss of the Aircraft, whether or not such loss occurs in flight, and (iii) such other insurance as Bank may reasonably request. The insurer must be qualified to write such insurance in the state where the Aircraft will be permanently based. Debtor may select the carrier or agent subject to the reasonable approval of Bank. Any carrier must be amenable to service of process in the continental United States, unless otherwise agreed in writing by Bank.
- (ii) Loss Payable Clause; Breach of Warranty Endorsement. The policy covering physical damage to or loss of the Aircraft shall contain a loss payable clause in favor of Bank, as interests may appear. The insurance policies shall contain breach of warranty endorsements protecting Bank, even if Debtor violates one or more provisions of the policies. While breach of warranty coverage may protect Bank, Debtor's breach of any warranties to the insurer may result in the insurer paying Bank and suing Debtor for the loss. For this reason, Debtor must be familiar with Debtor's policy of insurance and make certain that adequate breach of warranty coverage is obtained. In addition, if Debtor rents out the Aircraft and does not have breach of warranty coverage for Debtor or have the rentee provide breach of warranty coverage for Debtor, Debtor's insurer can pay Bank if the rentee breaches a policy warranty and sue Debtor for the loss leaving Debtor without coverage.
- (iii) Notice of Cancellation. The insurance policies shall provide for at least thirty (30) days prior written notice of cancellation to Bank.
- (iv) Bank's Power to Collect Proceeds. Debtor, as principal, hereby appoints Bank as Debtor's attorney-in-fact with all power and authority necessary for Bank in case of an insurance claim to obtain, adjust, settle and cancel such insurance and endorse any loss payment or refund checks, drafts or instruments. Bank may apply the proceeds of any such insurance to the balance owing, whether or not due at the time of such application, and pay any excess proceeds to Debtor. In case of loss or damage to the Aircraft, Bank may intervene in any action between Debtor and any third party, including Debtor's Aircraft insurer, and Debtor agrees to cooperate with Bank in obtaining payment of Bank's interest.
- (v) Amounts of Coverage. The amount of all-risk property coverage for damage to the Aircraft shall be at least equal to the lesser of the then outstanding balance of the Note or the actual value of the Aircraft. The amount of public liability insurance shall be within limits commonly carried for aircraft of the size and type of the Aircraft for its permitted use(s).
- (vi) Aircraft Usage. Any application for insurance shall be consistent with the use or uses allowed under the Loan Documents. Debtor must deliver the Aircraft insurance policies or a binder which describes the permitted uses and coverage amounts prior to funding by Bank. Any renewals of insurance or applications for insurance to a new carrier must likewise be consistent with the use(s) permitted under the Loan Documents. No request for lease or rental of the Aircraft will be considered by Bank, unless such use is specifically listed on the Declaration Sheet of the policy or in an endorsement or a binder. Bank may also insist on seeing a copy of the lessee's or rentee's insurance coverage, which must be acceptable to Bank, before approval of such lease or rental.
- (vii) Debtor's Failure to Insure. In the event Debtor fails to furnish required insurance, Bank may purchase separate individual replacement hull physical damage insurance and, if necessary, public liability insurance and charge Debtor for the premium or rely on Bank's floater policy and not charge Debtor for any part of the floater premium. However, in the latter case, Bank's floater policy carrier may pay Bank and sue Debtor for any loss. If Bank buys separate insurance to be charged to Debtor, Debtor shall be entitled to all notice, cure and refund rights under applicable law. NOTE: In no case will Bank cover Debtor for public liability coverage for Debtor's use of the Aircraft. Such insurance can be obtained only by Debtor or a third party for such party's use or the use of a rentee arranged by such third party. If Debtor fails to furnish insurance as required, Bank will notify Debtor if any replacement insurance is to be added to the balance of the debt required to be paid.
- (N) Cape Town Registration. If applicable, Debtor(s) agrees to become an authorized transaction user entity of the International Registry and to appoint a professional user entity acceptable to Bank for purposes of completing, perfecting and maintaining the registration of Bank's security interest at the International Registry.

		!

- 10. TIMELY PERFORMANCE. Debtor must pay and perform on time.
- 11. SEIZURE. If the Aircraft is seized by law enforcement authorities for carrying contraband or other involvement in a crime or because the pilot was flying under the influence of alcohol, drugs or other illegal substance, Bank may take possession of the Aircraft from the seizing authority. If the seizing authority is a federal agency which is not able to prove within the federally-required time that Debtor was involved or informed of the unlawful use, Bank will surrender the Aircraft to Debtor at Debtor's request, if such activity is the only then current default. If the seizing authority is a state or local agency under the rules of which Debtor must prove Debtor's non-involvement in the alleged unlawful activity, Bank will return the Aircraft to Debtor when Debtor has established Debtor's non-involvement or been declared a victim by the seizing agency. If a seizing state or local authority has the right to forfeit the Aircraft, irrespective of proof of Debtor's involvement/non-involvement, Bank may elect to pay such release amount as the seizing authority may demand and obtain possession of the Aircraft or abandon its rights to the Aircraft and hold Debtor liable for the then balance of Debtor's Obligations. In any event, Debtor shall be responsible for all of Bank's reasonable expenses in investigating the seizure, obtaining possession of the Aircraft and storing and maintaining it pending a resolution of the dispute, if Bank provides such services.
- 12. DEFAULT. Debtor will be in default under this Agreement if any of the following happens: (a) Debtor fails to pay Bank any Obligations under the Loan Documents when due; (b) a material fact stated or omitted by Debtor in Debtor's credit application or the Loan Documents or in any financial statement given to Bank to obtain credit or subsequently given to Bank hereunder is untrue or tends to make such document misleading; (c) Debtor fails to perform an act specifically required by the Loan Documents, such as (without limitation) providing required insurance, inspection, maintenance and repair, or there is otherwise a default under any of the Loan Documents; (d) a petition in bankruptcy or under any other insolvency law is filed by or against Debtor or Debtor enters into an assignment for the benefit of creditors; (e) the Aircraft is seized by a government authority and Bank's security position is in jeopardy; or (f) anything else happens that Bank in good faith may decide impairs its security in the Collateral for this loan or Debtor's ability to pay and perform the loan, such as a garnishment, writ of attachment or execution against any property of Debtor or any guarantor, levy being issued against funds or property of Debtor or any guarantor, or a material adverse change in the financial condition of Borrower or any guarantor.
- 13. REMEDIES. In the event of a default under Section 12, above, (a) Declare Obligations Due. Bank, at its option, may declare all or any part of the Obligations immediately due and payable in full, subject to any cure rights which Debtor may have in the state where this remedy is being used. If cure rights exist, Bank will notify Debtor of such rights, as required by applicable law.
 - (b) Other Remedies. Subject to applicable law of the state where a remedy is being used, Bank may use any or all of the following additional remedies:
 - (i) Require Debtor to make the Aircraft available and assemble all related Collateral used in or with the Aircraft, including updated logbooks, at an airbase selected by Bank which is secure and reasonably convenient to both Debtor and Bank. The base designated as the principal location of the Aircraft will suffice, unless such airbase is not at that time a secure place in Bank's reasonable opinion to store the Aircraft.
 - (ii) Take possession of the Collateral with or without judicial process and remove it or make it unusable.
 - (iii) Sell or otherwise dispose of the Collateral AS-IS WHERE-IS by public or private sale on the premises where the Collateral is located or elsewhere, if Bank elects to remove the Aircraft or related additional Collateral.
 - (iv) Collect any money due from third parties for use of or damage to the Collateral.
 - (v) Settle any liens or claims against the Collateral for storage, maintenance, repair, tax or other appropriate charge.
 - (vi) Exercise all remedies provided for in the Note.
 - (vii) If Bank elects to purchase insurance and charge it to Debtor, Debtor will pay for the reasonable cost of such insurance.

- (viii) If Bank determines that the market for resale of the Aircraft is not favorable, Bank may elect to retain the Aircraft and waive any deficiency in lieu of resale, if allowed by applicable law. In such case, Bank will give Debtor any special written notice required by law, but in any event not less than 21 days notice.
- (ix) If Bank elects to resell the Aircraft and related Collateral, Bank will give Debtor the notice and cure rights required in the state where the resale is to take place, but in any event not less than 10 days' notice.
- (x) Bank will advise Debtor in its Notice of Resale how Bank plans to advertise the resale and what kind of repair, maintenance or make ready service it will perform prior to offering the Aircraft for resale. If Debtor requests additional resale preparation, Debtor will have to deposit full payment for such service with Bank in advance of the commencement of such work. Bank will decide whether to allow such additional work based on whether the value of such additional work is likely to add to the net resale value of the Aircraft. Any notice to be given following repossession by Bank to Debtor or other parties who sign this Agreement or the Note must be sent by ordinary mail, postage prepaid to the last address(es) Bank has for Debtor and any other obligor on the loan. If Bank elects to send any such notices by additional methods, such as certified mail, return receipt requested, or overnight courier, Debtor will be liable for the cost of such notices as well as for the cost of ordinary mail.
- (c) Personal Property. (i) Removal Before Voluntary Surrender. Before voluntary surrender of the Aircraft to Bank, Debtor will remove all items of personal property not covered by Recital (D)(1) or (2) and, at Bank's request, will sign a statement acknowledging such removal by Debtor. (ii) Involuntary Repossession. If Bank repossesses the Aircraft, it will use its best efforts to identify any items of personal property left on or around the Aircraft and tell how Debtor may claim such property. If Debtor, within 45 days after Bank sends such notice, does not physically pick up such items or provide a representative with apparent authority verifiable by Bank to call for such items or provide a prepaid and addressed shipping container for Bank to use to return such items to Debtor, Bank may store such items at Debtor's expense, send them by overnight courier to Debtor and charge Debtor for the cost, or dispose of such items in any way allowed by law.
- (d) Annual Inspection After Repossession. If, while the Aircraft is being held by Bank pending disposition, the time for an FAA-mandated annual inspection arrives, Bank will consider arranging for the inspection to be made by an FAA-certified mechanic experienced in inspecting, maintaining and repairing similar aircraft, if Debtor deposits with Bank in advance the cost of the inspection. In such case Bank will proceed with repairs indicated by the inspection report to be made by another FAA-certified mechanic, provided Debtor deposits the money with Bank for the repairs in advance. Bank may elect not to make any further repairs if Bank reasonably believes that the cost of such repairs will outweigh the added value of the repairs.
- (e) Judicial Action. Bank may bring any judicial action for possession of the Aircraft or related Collateral in the place(s) where the Aircraft or such related Collateral may be found. However, any judicial action for the balance due or, after repossession and resale, for a deficiency shall be brought either in the place where Debtor signed the Note or in the place where Debtor resides. The same rule shall apply to any other person who signed the Note or this Security Agreement.
- (f) Expenses. Debtor shall be liable for and agrees to pay the reasonable expenses incurred by Bank in retaking, flying to a secure airport, storing, inspecting, testing, repairing, improving and reselling the Aircraft and any other Collateral. Debtor shall also be responsible for Bank's court costs and reasonable fees for any attorney not a salaried employee of Bank, if Bank refers this loan for any court or other action to retake possession from Debtor or any third party or for collection of money. These expenses, together with interest, shall, if allowable under applicable law, be added to Debtor's Obligations secured by this Agreement.
- (g) Application of Proceeds. Any resale proceeds shall be applied first to the expenses of resale, then to the other expenses in 13(f) above, then to late charges, then to accrued and unpaid interest and then to the unpaid principal balance of the Note.
- (h) Surplus. Any excess of net resale proceeds over then remaining Obligations shall be paid to Debtor.
- (i) Deficiency. Any deficiency balance still owing after application of net resale proceeds shall be paid by Debtor on demand, unless the balance is below the minimum level recoverable in a consumer transaction under applicable law or Debtor has a right to reschedule some or all of the balance under applicable law.
- (j) Remedies Cumulative, Non-Waiver. Bank may use any remedy or remedies singly or together. Use of one remedy does not stop Bank from using one or more other remedies. Waiver of a remedy on one occasion does not mean that the remedy is waived on another subsequent default.
- (k) Surrender of Aircraft Not A Waiver by Itself. Surrender of the Aircraft by Debtor shall not release Debtor or any other party liable for the Debtor's Obligations or who joined in granting a security interest in any Collateral for this loan.

		. •

- 14. GOVERNING LAW. (a) Validity. Except as provided below or as otherwise required by applicable law, the law of Delaware shall govern the validity of this Agreement, without regard to Delaware conflict of law principles.
 - (b) Federal Perfection. Federal law shall govern the perfection of a security interest in the Aircraft and any engine(s) or parts that the federal filing will cover. And The International Registry shall govern the perfection of a security interest in the Aircraft and any engine(s) or parts that the international filing will cover.
 - (c) Remedies. The law governing the use of any remedy under this Agreement shall be the law of the place where the remedy is to be used.
- 15. DEBTOR RESIDENCES, AIRCRAFT LOCATION. Debtor must notify Bank if Debtor or any other owner of the Aircraft is about to permanently change residence address. A change to another state or to a country or territory outside of the continental United States requires 30 days' prior written notice. Other address changes require at least 15 days' prior written notice. If there is more than one owner and each is moving, Debtor must inform Bank of each change of address. Debtor must also notify Bank if the permanent base of the Aircraft is to change. A copy of Debtor's notice must also be sent by Debtor to Debtor's Aircraft insurer.
- 16. JOINT AND SEVERAL RESPONSIBILITY. If this Agreement is executed by more than one Debtor, the obligations of all such Debtors under this Agreement shall be joint and several, except for the obligations of a party signing only as Other Owner to join in granting a Security Interest under Section 4 of this Agreement.
- 17. SEVERABILITY. Invalidity of any provision shall not affect any other provision of this Agreement.
- 18. INDEMNITY. Should any third party make a claim against Bank for any harm from the Aircraft, attributable to Debtor or any third party, and not directly caused or ordered by Bank or its agents, Debtor will promptly either satisfy or settle such claims or indemnify and hold Bank harmless from any liability for such claims, including attorneys' fees and court costs. If Debtor cannot give Bank reasonable assurance of Debtor's ability and resources to defend against any such claim, Bank may control the defense and settle the claim giving such releases as it deems appropriate.
- 19. AMENDMENTS. Neither this Agreement nor any of its provisions may be changed, waived or discharged orally, but only by an instrument in writing signed by the party against whom enforcement of the change, waiver or discharge is sought.
- 20. RESCUE. Should the Aircraft at any time be at risk of loss, such as on notice of approaching storm or flood conditions, Debtor shall take all reasonable steps to preserve and safeguard the Aircraft or authorize the airbase operator with which it is stored to do so. In particular, Debtor shall comply with all conditions of its Aircraft insurance policy relative to insured perils.
- 21. NOTICES. Except as otherwise provided by applicable law, any notice or demand given by Bank to Debtor in connection with this Agreement or the Obligations shall be deemed given and effective upon deposit in the United States mail, postage prepaid, addressed to Debtor at the address of Debtor designated at the beginning of this Agreement and to any other party to this Agreement at such party's last address possessed by Bank. Actual notice of Debtor shall always be effective no matter how given or received.
